## Education

<b>Anurag collage of Engineering</b> Electronics and communication Engineering	2019-2023 <b>GPA: 6.5</b>
<b>Narayana Junior Collage</b> M.P.C	2017-2019 <b>GPA: 8.0</b>

## Experience

<b>WebstackAcademy</b> <b>Frontend Web development</b>	Aug. 2023 – Oct 2023 <i>HTML, CSS, React.js, Express.js</i>
<ul style="list-style-type: none"><li>Developed a food delivery app using React for the front-end and Node.js with Express for the back-end.</li><li>Implemented user authentication and used APIs to display products.</li></ul>	

## Projects

<b>I-NOTE</b>	<i>HTML, CSS, BOOTSTRAP, JAVASCRIPT</i>
<ul style="list-style-type: none"><li>I developed a web application focusing on performing CRUD operations utilizing the Browser's local storage.</li><li>Leveraging a tech stack comprising HTML, CSS, JavaScript, and Bootstrap, I designed an intuitive and responsive user interface. The application seamlessly allows users to Create, Read, Update, and Delete data, all while ensuring a smooth and engaging user experience. This project showcases my proficiency in front-end development and highlights my ability to implement efficient data management solutions in web applications</li></ul>	
<a href="#">Link</a>	
<b>Know-Weather</b>	<i>HTML, CSS, BOOTSRAP, JAVASCRIPT</i>
<ul style="list-style-type: none"><li>In my recent weather application project, I harnessed the power of Fetch API to seamlessly retrieve real-time weather data from the OpenWeather API. Utilizing a tech stack that includes HTML, CSS, Bootstrap, and JavaScript, I crafted an aesthetically pleasing and responsive user interface. The application allows users to effortlessly access accurate weather information for any location, showcasing my proficiency in front-end development and API integration. This project demonstrates my ability to create dynamic and user-friendly web applications while effectively leveraging external APIs for enhanced functionality.</li></ul>	

## Skills

### Languages:

HTML, CSS, JavaScript, Java, PHP, SQL, MYSQL

### Technologies & Tools:

CodeIgniter, Git

## Personal Skills

- Willingness to learn and work as a team member.
- Capable of adapting to new environment and working in all environments.
- Good communication skills and excellent knowledge of Core subjects.
- Computer skills with experience in Microsoft Office Suite (Excel, Word, Power point).
- Orchestrating workshops, coding sessions, and events to enhance skills and encourage continuous learning.
